*Locating a new provider can be challenging.
 It is important to feel comfortable with a
 provider, but stick to discussing logistics at first.
 Once you know they take your insurance
 and have appointments available,
 then you can share more about your story
 and see if they are a good fit for you.*

CONTACTING A NEW PROVIDER

Creating your own care plan can be difficult. Enlist a friend or family member to help you, and feel free to call Perinatal Support Washington's warmline for help creating an individualized care plan. 1-888-404-7763

Questions to ask:

- Do you have experience with postpartum mood and anxiety disorders?
- Do you take my insurance? Will there be a co-pay?
- What is your experience working with women of color?
- Can I bring my baby?
- Can I bring someone else (partner, parent, friend, doula) to the session with me?
- When is your soonest appointment?
- Do you do phone appointments or Tele-health (Note that insurance often won't cover this.)
- If you are a student, contact your school's counseling office.

Search for preferred providers on your insurance website or on www.psychologytoday.com.
